BEVER

LICENSE ACTIVATION GUIDE

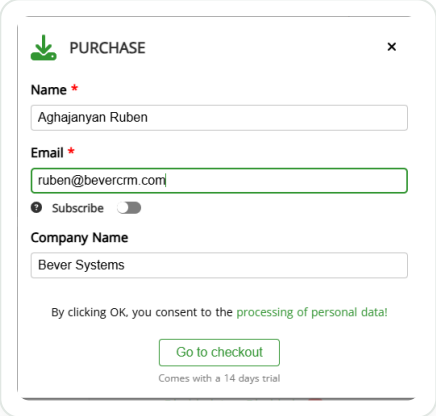

How to activate your Editable Table Premium license

Start your free trial, install the solution and activate your license in five steps.

1 Start your free trial

1. On the Editable Table Premium page, click **Start free trial**.
2. In the popup, enter your **Name**, **Email** and **Company Name**.
3. Click **Go to checkout**.

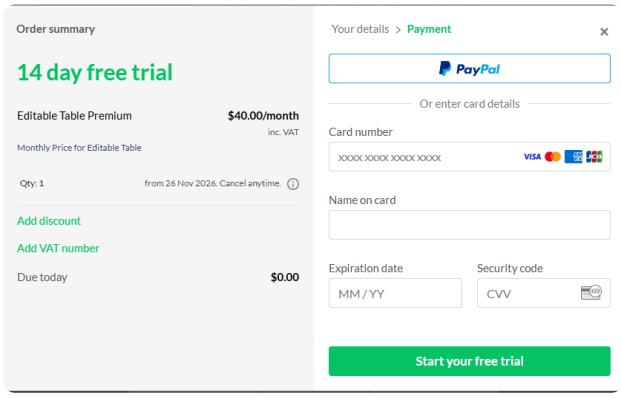

Important Double check your email address. Your license key will be sent to it.

2 Add your payment details

1. Pay with **PayPal**, or enter your card number, name on card, expiration date and security code.
2. Click **Start your free trial**.

No charge today Nothing is charged during the 14 day trial. The card is only checked so the subscription can continue after the trial. If you cancel within the 14 days, you pay nothing.

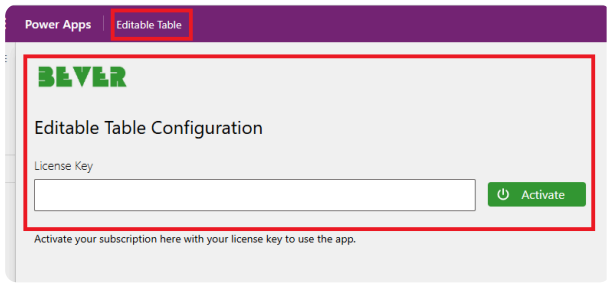

3 Download and install the solution

1. After checkout, download the solution **.zip** file.
2. Go to make.powerapps.com and select your environment.
3. Open **Solutions**, click **Import solution**, choose the downloaded .zip file and follow the import steps.

4 Open the Editable Table app

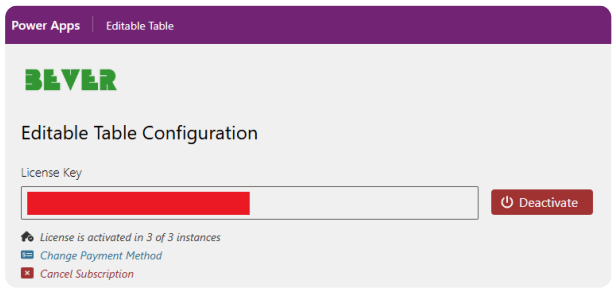

Open the **Editable Table** model driven app. You will see the **Editable Table Configuration** page with a License Key field.

5 Activate your license

1. Open the email with your license key.
2. Copy the license key and paste it into the **License Key** field.
3. Click **Activate**.

When the activation succeeds, the page shows that the license is activated and in how many of your 3 instances it is used.

You're all set

Editable Table Premium is ready to use. Add it to your grids and start editing.

On the same configuration page you can also **Change Payment Method**, **Cancel Subscription** or **Deactivate** the license.
